

Announcing RUCKUS Training Pricing Policy Changes

Beginning **January 1, 2024**, RUCKUS Education is implementing a new pricing model for our training courses. This change will help us ensure sustainability by providing a source of revenue to cover the costs of developing and delivering training. With this new pricing model, we will be able to invest more resources into improving the quality and volume of our content. This will help us ensure that our training meets the needs of our customers and partners and is of the highest quality.

RUCKUS Education delivers:

- **eLearning**: self-paced, on demand content that resides on CommScope University.
- **Private Face-to-Face Instructor-Led**: Onsite training with a live instructor and remote labs.
- **Virtual Instructor-Led**: Remote Instructor-led courses that are scheduled and typically include remote labs.
